Dear Mr.

In accordance with the request in your letter dated February 4, 1983, reconsideration has been given the Morning Section of the paper you presented in the examination for registration held on October 5, 1982.

After careful consideration by the Committee on Enrollment of your request and the remarks contained therein, it is recommended that your score be raised one point, from 65 to 66, which is still insufficient to pass the Morning Section of said examination.

Attached are comments by the regrader, with which the Committee on Enrollment concurs.

Very truly yours,
